T-Shirt order forms are available; please note there is a deadline to order.

The group discussed having a program; PDIA will prepare one.

Kim McLaughlin asked for clarification on sorting order. Does it have to be random? There will be 4 lanes; after group discussion, it was decided to do random order for each event.

Questions come up regarding the entry forms - camping fees for dry camping and stall fees? Are they required? The camping fees are not required by the grounds. The group expressed serious concerns regarding charging a fee for riders to dry camp.

If riders utilize the Full RV hookups then they will need stalls – 12X12. Shavings will be provided the first time.

Full hook-up fee not yet determined – approx. \$22. Kim will find out for sure.

No Showers on site; river available.

Spectator camping - Individuals need to contact Kim McLaughlin to reserve spot.

There will be no refunds for riders without a vet pass.

Julie will take pictures of the arena as soon as possible and put them on their website.
