

Seasons Greetings Everyone!!

It is hard to believe the year is almost over; it is quickly coming to an end. The Holidays will be here before we know it and it will be time to schedule our events for the New Year. I hope each of your saddle clubs had a successful year!

Our Winter Meeting is scheduled for **Saturday, February 2nd, at 1:00pm in Moscow**. It will be held at the Idaho Department of Labor office located at 1350 Troy Rd, Moscow. ISCA Officers will be providing light snacks and beverages but feel free to bring your favorite side dish or dessert too. During the meeting we will update our 2013 Membership contact information and collecting 2013 dues. Your vote counts so please plan on bringing your club voting delegates and your club checkbook so your vote will be valid. We will also be holding a silent auction. Each club is encouraged to bring an item or two for the silent auction.

In addition to reviewing the attached proposals, we will be electing new officers at the meeting. We will be discussing the 2013 State O-Mok-See event as well. Please visit with your individual saddle clubs prior to the winter meeting to see if they are interested in hosting this fun event at their facility.

Calendar - We will be working on the State calendar so please bring your saddle club event dates with you as well. It is recommended that you have your event dates listed in written format to provide to each club as well. This will also make it easier to compile all the dates for the state calendar. Please note, Nationals will be held in Blackfoot Idaho again! It is scheduled for July 7 – 12, 2013.

As always, please feel free to contact me or any of the officers with any questions or concerns that you may have. I look forward to seeing you in February! **Wishing you a joyous Holiday Season and Best Wishes for the New Year!!**

Kind regards,

Shirley Ackerman

2. I propose ISCA allow rubber bands to be used during competition. (Crystal Moore)

3. I propose ISCA amend its rule concerning the royalty reign. I propose the royalty contest will be held during the Idaho State O-Mok-See with the winners to assume their titles on January 1st of the following year and end on retirement of their position on December 31st of that same year. (Shirley Ackerman)

Explanation: Given the selected dates for the State show change each year, by utilizing a calendar year for their reign, it allows royalty participants opportunity to participate in events throughout the entire year. This also allows new candidates ample time to prepare for their new reign.

4. Should proposal 3 pass, I propose the current 2013 ISCA Royalty will continue in their responsibilities until December 31, 2013. (Shirley Ackerman)
