RULE BOOK

Sportsmanship

The man on horseback, down through the ages, has been set apart from the man on foot. A man in a car or in an airplane is merely a man devoid of the romantic feeling inspired by a horse. Perhaps the man when mounted takes on the pride, courage, dependability, honesty and competitive spirit of his good horse.

The West was won by the man on horseback and the National Saddle Clubs Association carries on this tradition. We saddle club people-men, women and children-ride for fun and not for business. Besides being with a horse, it is a pleasure to be with people with the same interests, resulting in the most treasured friendships. To compete good-naturedly with one's friends is the best of sports. If one wins, it is of course fine. If he loses, it is still fine-if he tried hard and did his honest best. To have one's competitors be happy that he won is indeed heartwarming.

We now lead the way in true sportsmanship. Let us continue to celebrate this tradition among all members of the National Saddle Clubs Association who desire to win fairly as superior horsemen and not by trickery and violation of the rules.

Note: In 1995 and 1998 timers were used that only gave two decimal points. There possibly could be two record holders for the event, since it is unknown what the third decimal point was in those two years.

Updated July 18, 2017 by Anita L. Falen, ISCA historian, from records completed by Shirley Ackerman.

Idaho Saddle Clubs Association (ISCA) Rules and Regulations

1. The Idaho Saddle Clubs Association (ISCA) was incorporated in 2007. ISCA secretary sends a yearly incorporation report to the State of Idaho with the elected officers and addresses of the ISCA.
2. ISCA may hold an annual raffle donation for item(s) to raise money. Proposed 30% to royalty fund and 70% to general club fund. Each club given 100 tickets to sell for western metal art or other raffle item. Monies to be used for the next year's incoming royalty.
3. The Royalty Advisor shall be elected at the Winter Meeting. The royalty advisor's term will be effective January thru December (02/04/2017).
4. ISCA royalty must attend at least four different ISCA Saddle Clubs' O-Mok-See during their reign (02/4/2017).
5. Royalty is responsible for organizing the ISCA 4D barrel races. There shall be one 4D barrel race in conjunction with the State O-Mok-See and others at the discretion of the royalty and their advisor, but no more than four during the year. Funds generated will be split with 50% to the ISCA general fund and 50% to the royalty fund. Funds dispersed to royalty must be approved by the royalty advisor and ISCA board of directors, if needed, or voting delegates at the February ISCA winter meeting (02/07/2015).
6. A \$25 grievance fee to file a complaint to the three (3) men Rule Committee is required. If the committee finds in favor of the complaint, the \$25 will be refunded. This complaint needs to be filed with the ISCA president.
7. All records broken (even 16-24 women and 25 & over age groups) in 1995 and 1998 stand and will be documented on the record sheet. If someone were to tie the time in the future, because the timers only went to hundredths, let both riders be named the record holders.
8. The Dutch Kreiter High Point Award will include the 8 & under age group, providing they ride the same events as the other age groups.
9. Cloverleaf barrel clarification: timers to be set 30 feet apart centered with the 3rd barrel.
10. Any reride will occur in the same lane as the original run.
11. **As determined by the ISCA officers, riders, owners, parents or spectators that are deemed unruly, unsportsmanship-like, or abusive to people or animals will be asked to leave the premises immediately. If the offender does not leave all contestants associated with the offender(s) will be disqualified and also told to leave the premises.**
12. If a contestant or parent of the contestant goes to the lane judge and complains about a decision about their ride that contestant will be disqualified.
13. Shirts worn at the state show while riding events may be with or without sleeves so long as they have a yoke or collar (02/5/2011).
14. Shirts/blouses are to be fastened (i.e. buttoned or snapped), (02/06/2010).
15. The 8 & under age group may be lead in and out of the arena at the ISCA O-Mok-See.

16. The leaders of the 8 & under youth are allowed to stay in the arena during their runs for safety reasons.
17. Proper sized equipment must be used for the events; i.e. cloverleaf barrels will use 55 gallon barrels not 30 gallon barrels.
18. NSCA 2009 rule and by-law change states: Race and time ends when contestant crosses start/finish line. If a property hits the ground prior to a contestant crossing the start/finish line during the completion of the course the contestant will be disqualified. ISCA will continue to use disqualification for not stopping in contestant's lane if so required.
19. Depending on the arena set-up used for the ISCA O-Mok-See contestants may turn out only if two (2) running lanes are used.
20. All riders must stay in their lanes until all riders have completed the course. Riders cannot leave the lane until the announcer gives permission.
21. If a club is not in compliance with ISCA concerning participation at the ISCA O-Mok-See (dues paid and membership turned in by the 60-day deadline) that said club will not be eligible for the Team Award at ISCA O-Mok-See (02/06/2010).
22. If a club is not in compliance with the ISCA concerning participation at the ISCA O-Mok-See (dues paid and membership turned in by the 60-day deadline) that said club must pay triple the amount of State dues before any members are eligible to ride at the ISCA O-Mok-See. 2/6/2010
