

Jessie Jo Metcalf Memorial Award

**2015 Winner
fastest times in all
nine events at the
ISCA O-Mok-See**

in loving memory of

Jessie Jo Metcalf

Born on October 19, 1982, Jessie had a love for horses and an unparalleled zest for life that touched all around her. From her first smile, she shared her joy and enthusiasm with everyone she encountered.

Jessie was active in 4-H, rodeo, rodeo queening and o-mok-see. She is known for cheering on her competitors, tucking her jeans into her boots, and flashing her contagious smile. Her horses included Socks, Mucho, Shooter, Bay Rum, Jack, Irv, Honey, Fashion, Moose, Topper, Silver and Annie. Her horses were more than teammates who helped Jessie clock the fastest times and score the highest scores. They were her friends, her companions, her passion.

Jessie knew no strangers, nor did she have mere acquaintances. To meet her meant that you became part of her life even if only for a few minutes. Jessie captured our hearts, and she will have them forever.

ISCA proudly presented the 2015 Jessie Jo Metcalf Memorial Award to Dylan Anderson and Ember. Dylan had the highest points overall riders/age groups at the ISCA O-Mok-See held at Princeton, Idaho. Dylan was also the 12-15 group high point winner. He placed in every event and did not have any DQ's. He received his personalized belt buckle, 50th ISCA tee shirt and coat for the 1st Jessie Jo Metcalf Memorial Award.
